<b>Interview Summary</b>	Application No. <b>09/286,874</b>	Applicant(s) <b>Grahm, F. et al.</b>
	Examiner <b>Joseph T. Woitach</b>	Group Art Unit <b>1632</b>

All participants (applicant, applicant's representative, PTO personnel):

(1) Joseph T. Woitach

(3) \_\_\_\_\_

(2) Joseph Fisher

(4) \_\_\_\_\_

Date of Interview Dec 18, 2001

Type: a) Telephonic      b) Video Conference  
c) Personal [copy is given to 1) applicant 2) applicant's representative]

Exhibit shown or demonstration conducted: d) Yes      e) No. If yes, brief description:

Claim(s) discussed: all pending claims

Identification of prior art discussed:

None.

Agreement with respect to the claims f) was reached. g) was not reached. h) N/A.

Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant contacted Examiner regarding possible claim amendments which would put the application in condition for allowance. Upon discussion with Applicant and further review of the final office action, Examiner noted that if enablement issues were outstanding over an adenoviral vector gene delivery system as exemplified by claim 1, it was unclear how the specification could provide the necessary guidance to use the kit encompassed by claims 9 and 10. Examiner agreed that a product had need of only one enabled use, however from the prosecution history it was unclear what this use would be besides a delivery system for gene therapy protocols which seemed to be the only intended use of the vector system Examiner could find in the disclosure or applicants' arguments. Examiner indicated that finality would be withdrawn and that a new office action would be sent.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).

Unless the paragraph above has been checked, THE FORMAL WRITTEN REPLY TO THE LAST OFFICE ACTION MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP section 713.04). If a reply to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW. See Summary of Record of Interview requirements on reverse side or on attached

Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.
